

A complex network of glowing blue fibers, resembling a neural network or a tree structure, set against a dark background. A prominent, thick fiber runs horizontally across the top, with a bright, glowing blue spot on its left side. Numerous thinner fibers branch out from this main fiber, creating a dense, intricate web. The overall appearance is that of a biological or technological structure with a futuristic, high-tech aesthetic.

AUTOMATIC BRAIN

The Power of the Unconscious / The Magic of the Unconscious

Automatic Brain

is now called:

The Power Of The Unconscious

Episode 1 - 23 July 2012, 11.40 pm
