**Kinetic Illusions in Op Art**

Ouch! This almost hurts my eyes... This is the Ouchi Illusion, a contemporary variation on the Ouchi pattern, by Kitaoka.

*Scientific America* has an awesome article on how art and neuroscience combine in creating fascinating examples of illusory motion. Check it out: *Art as Visual Research: 12 Examples of Kinetic Illusions in Op Art* by Susana Martinez-Conde and Stephen L. Macknik.

That's Right,
